

Elementary Montessori Educator Job Offer

Montessori En Ville

Montessori En Ville, Montessori bilingual school, is looking for a Montessori 6-12 educator, AMI trained, English speaking for their Elementary ambiance, starting September 2024 (permanent contract).

The school is located in Nantes (France) and counts 2 ambiances: one Children's house and one Elementary.

Under the school's administrator management, you will work in pairs with our actual French speaking educator.

You will share the responsibility of maintaining Montessori pedagogy in the ambiance, and the children's learnings, while ensuring their fulfilment. You will also share the responsibility of the pedagogical follow up of each of them, and participate to the pedagogical team meetings, and parents' meetings.

You will be responsible for the English bilingualism of the Elementary ambiance.

To know more about the school's project:

- <https://www.facebook.com/montessorienville>
- <https://www.linkedin.com/company/montessorienville>

Profile:

- AMI Montessori elementary educator trained
- English speaking (French speaking is not mandatory)
- Teaching experience with 6 to 12 years old kids is desired
- Your values are in line with those of the school: open-mindedness, loyalty, respect and solidarity
- You are autonomous and want to participate in the project and evolve with a young school
- Salary according to profile and according to independent schools' labor agreement
- If your application is successful, extract no. 2 of your criminal record will be requested (and must be blank to continue the recruitment process)

Please send a resume and anything about yourself you would like to share with us to: montessori.en.ville@gmail.com and we will contact you back as soon as possible.

Looking forward to reading you!

Louise for Montessori En Ville's team
